BONG FIT

JACKET

The Bong fit is the fit you can find in most snowboarding jackets. It's long enough to keep you fry while riding and fitted for you to wear off the snow too.

RIDER FIT

JACKET

The Rider fit is introduced after developing it with the team, they needed a jacket that was slightly longer to keep them dry when they were riding dep powder. This longer fit is made for the rider that rides allover the mountain and need the ultimate performance out of her jacket.

NARROW FIT

PANT

The Narrow fit is introduced after developing it with the team, they wanted a pant that was slightly slimmer, but still loose enough to ride all conditions. This slimmer fit is made for the rider that rides allover the mountain in her true style.

FASHION FIT

JACKET

Billabong has developed a fit for the girl that wants to go snowboarding and still look fashionable. The cut is tighter around the waist giving the girl a feminin silhouette. This fit is both functional and feminin. It will make you look good on the slopes and in the street.

SKINNY FIT

PANT

The skinny fit was especially designed for the girl that wants to snowboard in a close to the skin pant. It is cut to be tighter around the legs still leaving you all the freedom of movement needed to ride.

PARKA FIT

JACKET

The Parka fit is a longer, functional, yet fashionable fit. The cut is longer but still slim around the waist giving the girl a feminin silhouette. The perfect functional fit that looks great off the hill as well.

BONG FIT

JACKET

The Bong fit is the fit you can find in most Billabong snowboarding jackets. It's long enough to keep you dry while riding and fitted for you to wear off the snow too.

RIDER FIT

JACKET

The Rider fit is specfically developed by our team riders to keep them dry in deep snow and in all conditions. This longer fit is designed for the rider that rides allover the mountain and needs the ultimate performance out of his jacket.

BONG FIT

PANT

The Bong fit is the more traditional snowboard pant fit, for those riders looking for freedom of movement, it's a classical cut that will give you a great style on the snow.

PARKA FIT

JACKET

The Parka fit is a longer yet functional fit. Equally at home on the mountain as off, this rugged parka fit is built to withstand the wild winter weather.

STRAIGHT FIT

PANT

The Straight fit pant is a slightly tailored classic straight leg fit, giving just the right amount of room for movement and comfort.

COACHES FIT

JACKET

The Coaches fit was developed from old school coaches jackets. A true street inspired fit, that doesn't lack the function needed for riding.

SLIM FIT

PANT

The Slim fit pant is the perfect pant for the rider that wants to have a tighter fit without loosing the functionality of a true snowboarding pant.
