

HELMET SIZING GUIDE

HOW TO MEASURE FOR YOUR SIZE:

To determine the correct helmet size, wrap a measuring tape around the head, keeping the tape just above the ears and level front to back. Once you've determined the measurement, you can use the chart here as a guide; however, we recommend that you try helmets on prior to purchase to ensure the best fit and comfort.

WHAT IF I HAVE QUESTIONS ABOUT THE FIT OF A HELMET:

If you have questions about fit or condition of your helmet, call our customer service team at (800) 456-2355 or e-mail us at feedback@giro.com before you ride.
