

Very important to take your measurements. Use a tape measure to measure your contour. The guide shows you the different segments corresponding to each size to adjust you to the maximum characteristics of each model.

A CHEST

Measure while passing the tape measure under the shoulders.

B WAIST

Measure where the waist is narrower.

C HIP

Measure where the hips are wider.

SIZE GUIDE	CHEST (cm)	WAIST (cm)	HIP (cm)
SMALL	83-90	67-74	91-98
MEDIUM	90-97	74-81	98-105
LARGE	97-104	81-88	105-112
X-LARGE	104-114	88-98	112-120
