

SAK PROJECT

COMPRESSOR YOUTH EDITION SIZE CHART

Graduated compression calf sleeves tailored to the unique shapes of different leg shapes (XXS and XS) - shapes derived from an extensive 3D leg scan database.

Prevents shin guards' movements during the game, due to fast movements.

XXS:

- For legs with calf perimeters up to 24 cm (9 1/2 in);

XS:

- For legs with calf perimeters between 25 and 28 cm (9 3/4 and 11 in).
