

SUNDOWNER

SOFT

Sundowners for everyone!

Surfers looking for a soft board that goes but don't care too much for heavy-duty school boards are well served with the new Sundowner.

Also for surfers traveling, and not wanting to rely on last-minute rentals or for families in need of a foamie that works. Less volume and thickness than a regular foamie, combined with solid FTU fin boxes is a proven recipe for fun.

Having a sundowner within reach means never having to miss another great session, wherever you are.

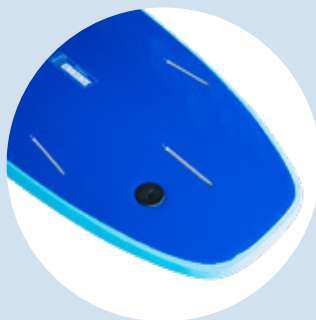

Available in four sizes, all Sundowners come with a thruster setup, ready for your favorite fin set as you link up ride after ride.

Features:

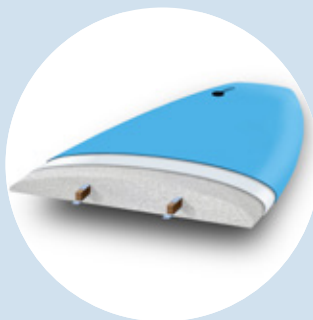

- Thermoformed PE Deck and Rail
- Molded EPS Core with integrated fiberglass reinforced bamboo stringers
- 2 stringers on 6'6" / 7'0" / 8'0" / 3 stringers / 9'0"
- PE Slick Bottom
- 3 x FTU flex fins (6'6" - 8'0" / Tool-less 9" Dolphin fin click center fin on 9'0")

SPECIAL FEATURES

3 x FTU fin boxes

Bamboo stringers

Bolt through leash plug

3 x FTU soft fins
