Major Materials

Magnesium Alloy+Aluminium Alloy+Lexan PC

Look & Style

Matte Silver+ Porcelain White

Specifications

Suitable Height

1.5m~2.1m

Max. Load

100kg

Max. Climbing Angel

About 15° (Riders weighing 60kg get up to 18°)

Max. Speed

About 17km/h

Battery Capacity

130WH 260WH

Charge Time

130Wh: about 90min(80% charged in 60 min)  
260Wh: about 180min(80% charged in 120 min)

Charge Voltage

AC220V 50-60Hz
