

AXIS M3106-LVE Mk II Network Camera

Discreet, outdoor-ready 4 MP video surveillance with built-in IR illumination

AXIS M3106-LVE Mk II is an affordable, outdoor-ready fixed mini dome with a flat-faced design that suppresses reflections. Using WDR technology and IR illumination, it provides compact HDTV surveillance even in challenging light conditions or total darkness. The smart design allows for easy repainting, or using the optional black accessory casing to blend the camera into its environment. Axis Zipstream technology reduces bandwidth and storage requirements. A variety of accessories are available for flexible and easy installation.

- > Built-in IR illumination
- > Quad HD/4 MP video
- > Wide Dynamic Range (WDR)
- > Axis Zipstream technology
- > Smart design for easy, flexible installation
