## WEATHER CONDITIONS

COLD COOL WARM HOT

## IDEAL FOR

• People looking for a comfortable product with an optimal fit that prevents skin irritation thanks to fabrics joined by heat fusion. Ideal product for year-round use: in summer it absorbs forehead perspiration during high-intensity activities like running and trail running and protects the ears from cold during winter sports like downhill and cross-country skiing.

## FEATURES

- Headband made of stretchy Coolmax® Extreme fabric.
- Absorbs forehead perspiration.
- Offers excellent breathability and moisture control.
- Comfort seams made with Bonding technology, which uses heat to fuse fabrics for clean garment finishes that provide an optimal fit and prevent skin irritations.
- Polygiene® treated to keep the fabric cleaner for longer, prevent the growth of bacteria and stop odours.
- 100% Polyester.
