IDEAL FOR

- People looking for a warm and soft hat, perfect for low-medium intensity winter activities like bouldering, climbing, trekking, hiking and skiing.

FEATURES

- Double-layer hat made with an outer layer of microfiber and a soft polar fleece inner layer. The combination of these two layers creates an air cushion and maintains head temperature.
- Comfortable hat made from a seamless microfiber tubular to minimise seams.
- Offers excellent breathability and moisture control.
- Features a pattern and a BUFF® logo.
- Polygiene® treatment applied only to the microfiber piece keeps the fabric cleaner for longer, prevents the growth of bacteria and stops odours.
- 100% Polyester.
- REGULAR fit.
