IDEAL FOR

• People looking for a comfortable and soft balacava, ideal for wearing under a helmet, that offers a base layer for protection from the cold during activities like bouldering, climbing and hiking.

FEATURES

- High-stretch and multifunctional balacava made of 100% microfiber.
- Offers excellent breathability and moisture control.
- A laser-cut air hole with a silicone hem around the mouth wicks away perspiration and controls moisture for enhanced breathing and reduced goggle fog.
- Comfortable product made from a microfiber tubular to minimise seams.
- Polygiene® treated to keep the fabric cleaner for longer, prevent the growth of bacteria and stop odours.
- 100% Polyester Microfiber.
