IDEAL FOR

- Freestyle riders when doing winter sports like freeskiing, snowboarding and skiing.

FEATURES

- Daring bandana that can be worn around the neck or covering the mouth and nose on cold days.
- Triangular double layer of polar fleece.
- A soft and comfortable bandana, made from a seamless tubular that minimises the number of seams.
- Perforations extremely close to the mouth for easy breathing, moisture reduction and reduced goggle fog.
- Offers excellent breathability and moisture control.
- Polygiene® treatment applied only to the microfiber piece keeps the fabric cleaner for longer, prevents the growth of bacteria and stops odours.
- 100% Polyester.
