

KSIX FITNESS BAND CUBE HR 2 FITNESS TRACKER WITH 24 H HEART RATE MONITOR

Brand: KSIX SKU: BXSCHR02 EAN: 8427542982243

Control your physical activity all day

Keep a complete track of your physical activity and your sleeping hours with the Fitness Band Cube HR 2. Controlling and improving your fitness level has never been easier.

Multi-touch screen

The Fitness Band Cube HR 2 fitness tracker bracelet has a multi-touch screen. You will be able to navigate through the different functions comfortably by swiping the screen up and down.

Every beat counts

The Fitness Band Cube HR 2 incorporates a 24 h heart rate monitor (in multi-sport mode) that will count your beats constantly, during the entire day and night.

It also includes a blood pressure monitor. Checking your heart beat and blood pressure in real time will make possible for you to optimize your exercises and control your fitness level.

Multi-sport

This fitness tracker bracelet has a multi-sport mode. Use it to register the duration, heart rate and burned calories during your trainings.

Suitable for swimming

This is a waterproof fitness tracker that can be submerged up to 2 meters deep during 30 minutes. You can use it even during your swimming training.

Sync it with your smartphone

The Fitness Band Cube HR 2 is a smart bracelet and can be synchronized with the FunDo Pro app. Sync your smartphone with the bracelet for a complete tracking of your sleeping hours. You will be able to check how many hours you slept and to analyze the quality of your sleep. Set a daily sleep goal and check how much is left for you to achieve it.

With the FunDo app you can set notifications for the messages you would like to receive in your fitness tracker bracelet (for example, WhatsApp messages). This way, when receiving a message the bracelet will vibrate and the screen will show who is the sender, along with the first lines of the message. You can also activate calls notifications.

The FunDo Pro app will also allow you to set alarms so you don't forget anything.

Easy to personalize

The Fitness Band Cube HR 2 is compatible with any standard strap. Choose the strap you like the most and customize your bracelet to the maximum.
