Folded dimensions : L: 250 mm / W: 450 mm / H: 530 mm

Weight: 7.3 kg

The Eezy S Twist is designed with a maximum of smart features that make life easier for parents while ensuring a comfortable ride for children from birth to approx. 4 years. A smart one-hand mechanism rotates the seat unit from parent-facing to forward-facing and back at the push of a button. Made for urban parents, the Eezy S Twist is an agile city stroller that offers premium travel features from 4-wheel suspension for smooth rides on all terrain to a fully reclining backrest for long naps. The one-hand folding mechanism turns this sleek stroller into a compact package of 25x45x53cm within seconds, while leaving your other hand free. In its compact, self-standing fold the Eezy S Twist can easily be stored anywhere and is even small enough to be approved as carry-on luggage on planes*. As a 3-in-1 travel system, the Eezy S Twist is compatible with the S-Line designs, from infant car seats to the Cocoon S, offering functional designs in one design language that take you from the car to the streets in style.

Main Features

- Rotatable seat unit: offers the choice of a parent-facing or forward-facing stroller set-up. This smart function allows quick and simple adjustment of the rotatable seat unit with one hand, even while you're on the go.
- Smooth 4-wheel suspension: ensures a smooth ride for parent and child. From bumpy cobbles to uneven side-walks-your mobility and baby's sleep are uninterrupted.
- Compactness at its best: The narrow footprint of only 45 cm makes this stroller perfect for public transport, narrow streets and travelling. The compact folded package can fit anywhere, in the smallest car trunks, under train seats, planes* or in cafés.
- Smart one-hand folding mechanism: bring the Eezy S Twist on the plane – it's small enough to meet hand luggage criteria*, measuring only 25x45x53cm in its compact, self-standing fold.

Additional Features:

- Multiple recline function incl. full lie-flat position: makes the Eezy S Twist suitable from birth. Multiple backrest positions until full lie-flat ensure your child is always comfortable.
- Sun canopy: offers shade and protects from wind with UPF50+ sun protection and extendable visor.
- 3-in-1 travel system: comfortable travel from birth with the seat unit, the Cocoon S on top of the reclined seat and the award-winning CYBEX & gb infant car seats.
- Carrying handle when folded
- Shopping basket
- Adjustable 5-point harness system
- Automatic fold-lock mechanism
