Motorola Moto 360

A beautiful timepiece with the latest technology.

Building on the legacy of the Moto 360, this third-generation smartwatch features a premium stainless steel curved case in three finishes, and increased responsiveness and performance using the latest Snapdragon Wear™ 3100 with 1GB RAM.

The Moto 360 smartwatch is powered with Wear OS by Google™. With beautiful stainless steel case construction, this classically designed timepiece is compatible with Android and iOS devices.

Get Updates, Not Interruptions: Stay connected and up-to-date by getting messages, news, weather, and more without constantly having to check your phone.

Premium Design: The stainless steel curved case with rotating crown and customizable action button mimic the haptic experience of classic luxury timepieces.

High-end Finishings: Brushed steel finishes in stainless steel and rose gold, and sandblasted finish in phantom black, with added PVD coating for increased scratch-protection.

Powered with Wear OS by Google™: Moto 360 helps customers get the most out of their time with Google Assistant, Heart Points and Move Minutes from Google Fit, and NFC support for Google Pay.

All-Day Battery Life & Battery-Saving Modes: 'Time Only Mode' automatically activates when the battery is critical and continues to show the time for up to an additional three days.

Always-on Display: ensures the device always looks like a watch; no tilting, pressing or action required.

Fast Charging: from zero to 100 percent in approximately 60 minutes.

Increased Storage: Moto 360 third-generation doubles storage space to 8GB and memory to 1GB RAM, allowing users to download more apps and media while enhancing performance.

Expanding Selection of Apps: Over 1000 available – such as Spotify, Uber, Whatsapp and Lifesum.

Processor: An updated processor features the latest Qualcomm® Snapdragon Wear™ 3100 platform.

Wear OS by Google
