

# NGS BLUETOOTH SPEAKER ROLLER CUBE RED

## 5W BLUETOOTH SPEAKER-MICRO SD LINE IN-LED LIGHTS- HANDS FREE

**NGS Roller Cube** is a mini portable wireless and rechargeable Bluetooth speaker in the form of a tiny cube that will impress you with multiple functions and sound quality: Bluetooth, micro SD card input, 3.5mm jack auxiliary input, LED lights,...

NGS Roller Cube outstands for its great power and sound quality (**5W**), as well as its set of more than **100 LED lights** with **4 different switching modes**.

**Original design** and **rubber coating** finished with a touch of color, available in red and blue.

Big sound that fits **on the palm of your hand**, thanks to its **compact size** (6.5x6.5x6.5 cm) and its **light weight** (180 gr) you can take it everywhere you go.

Thanks to its long-life rechargeable **600 mAh battery** you can listen to music without external power for more than **3 hours**. Take it on trips or to a party, to supply the soundtrack of each moment.

**Bluetooth Speaker:** Connect your phone or computer via Bluetooth and play your music with the best sound quality.

**External speaker:** Connect NGS Roller Cube to an external audio source with the 3.5mm jack cable included and power the sound of your favourite music.

**Bluetooth Handsfree:** Thanks to the built-in microphone you can use NGS Roller Cube as handsfree and talk comfortably with your phone or Smartphone.

The speaker performance is really easy to use, it has two doubled buttons: **ON/OFF** (to turn the device on or off) **LIGHT** (to choose the lights switching mode) and the **volume control** (lower y higher), **PLAY/PAUSE** (to play or pause a song) and **NEXT / PREV** (to skip or go to the previous song).
