

 **TINDER-D8**

CSE

Whether you swipe right, left or even up, the Tinder-D8 is never going to let you down! Designed by Marcie O'Neill, the Tinder-D8 is your perfect match if you're looking for a high-performance, allround short board that's great in all conditions.

The Tinder-D8, in a rounded square tail with a quad fin setup, a single concave from the mid section through to a double out the fins, combined with a flatter rocker, gets you down the line fast, keeps you in the pocket and enhances your maneuvers.

- Bottom :** Single to double concave
- Rider :** Intermediate to advanced
- Wave Type :** All conditions

Construction/Lay-up:

High-performance, custom surf epoxy lay-up, with a clear UV-stable resin and satin rub finish utilizes a CNC-cut 36g EPS core, hand shaped to detail, with wet lamination of full 220g (8oz) biax glass + 4oz deck and 4oz bottom with additional overlap on the rails + 4oz fin patch and fiber-reinforced tail patches. This lightweight, durable shortboard offers plenty of flex for ultimate performance.

Fins:

Available with 5 FTU fin boxes and compatible with Futures® Fins (fins not included). Ride as a quad or thruster.
