

LONGBOARD

The Elements Longboard is part of the refreshed NSP Longboard range: A perfect addition to any surfer's quiver and an exceptional shape for longboard surfers, looking to fast-track their skills. The NSP Protech Longboard is a proven shape in a durable construction that simply lasts.

Rail : Full

Bottom : Single to double concave

Ideal waves : 1-6ft

Level : Beginner – Expert

- The best in versatile longboard performance, using technically advanced construction at extremely attractive retail prices.
- A classic shape for swooping bottom turns, high trim lines and drop knee cutbacks.
- New sharper rails in the tail, modern performance rocker combined with mellow V-bottom blended with a subtle double concave.
- Easy board to trim on the wave and dynamic when riding off the tail.
- The 10-foot Longboard comes as a classic single-fin only and no optional side bite fin boxes.

A proven classic for stylish wave riders.

Fins:

The Elements Longboards (8'-9'6") are available in either a twin tab fin or NSP's new FTU fin boxes.

- The FTU box option (compatible with Futures® fins) comes out of the box with two newly designed MFC side fins and a center fin.
- The twin tab box option comes with 2 twin tab fins and one center fin.
