

MEN'S

## HYPERFREAK COMP

All new, fully sealed, lightweight performance wetsuit featuring O'Neill's Zipless Entry Neck, New Superstretch TB3X Neoprene and O'Neill's exclusive TB3X Split Neoprene Tape. Crazy comfort, warmth and performance at an amazing value.

### KEY FEATURES & MATERIALS

#### ZIPLESS

Lightweight Closure System Over a 360° Barrier with drain holes and Cinch Cord. Water tight seal with ease of entry and exit.

#### TB3X

TB3X is "pre-stretched" to maintain it's structure for premium, weightless flexibility. TB3X increases warmth with a low profile that sheds water and dries faster.

#### TB3X TAPE SEAM

The lightest, stretchiest neoprene seam tape ever. 0.5mm split-neoprene applied to triple-glued seams with water-based glue to keep you dry and loose.

#### MINIMAL SEAM DESIGN

Insane flexibility, fit and durability using a unique design which utilizes larger panels and less seams.
