

MEN'S

HYPERFREAK F.U.Z.E.

The Hyperfreak F.U.Z.E. is constructed with super light TechnoButter 3 neoprene, clean graphics and modern color blocking. Featuring minimal seam design, unfinished cuffs, and durable Krypto Knee Padz, the lightweight, quality materials and attention to detail make this another team inspired favorite.

KEY FEATURES & MATERIALS

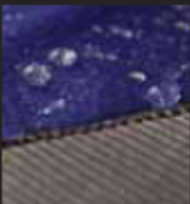

F.U.Z.E. CLOSURE

Front Upper Zip Entry (chest) uses the same technology as our Patented ZEN Zip closure with drain holes to keep you dry and feeling loose.

TB3X

TB3X is "pre-stretched" to maintain it's structure for premium, weightless flexibility. TB3X increases warmth with a low profile that sheds water and dries faster.

GBS SEAMS

Blind stitched and triple glued to create a watertight seam, for increased durability.

MINIMAL SEAM DESIGN

Insane flexibility, fit and durability using a unique design which utilizes larger panels and less seams.

ADDITIONAL FEATURES

360° Barrier with Drain Holes

Double Seal Collar

70% TB3

30% TB3X
