

MEN'S

O'ORIGINAL FULLSUIT

New for 2017, the fully sealed O'Original Fullsuit ticks all the right boxes. Classic style paired with modern technology and the best fit in the industry.

KEY FEATURES & MATERIALS

F.U.Z.E. CLOSURE

Front Upper Zip Entry (chest) uses the same technology as our Patented ZEN Zip closure with drain holes to keep you dry and feeling loose.

SMOOTHSKIN CARBON-FIREWALL

The interior thermal lining absorbs body heat in core areas and retains it due to the SmoothSkin exterior shedding water and reducing wind chill.

ULTRAFLEX

Ultra Stretch, Super soft and premium neoprene for superior feel, flexibility and high performance.

ULTRAFLEX TAPED SEAMS

Soft and durable neoprene seam tape. 0.5mm split-neoprene applied to triple-glued seams to seal out water keeping you dry and loose.

ADDITIONAL FEATURES

360° Barrier with Drainholes

Strategic Seamless Paddle Zones

Single Seal Neck
