

WOMEN'S

PSYCHO TECH

Fresh for 2017 with all new TechnoButter 3 and added heat-generating TB Firewall. It's offered in a wide range of styles with the hi-tech features you need to stay warm and toasty in any condition. Psycho Tech is the hardest working wetsuit in the business.

KEY FEATURES & MATERIALS

F.U.Z.E. CLOSURE

Front Upper Zip Entry (chest) uses the same technology as our Patented ZEN Zip closure with drain holes to keep you dry and feeling loose.

TB-AIR FIREWALL SMOOTHSKIN

The most advanced insulative neoprene available. Trapped air technology with quick dry properties. Psychotically warm.

TECHNOBUTTER 3

Buttery soft premium neoprene stretches like crazy. Technical yarns and a revolutionary foam rubber core make it light & durable with quick-dry properties.

FLUID SEAM WELD

8mm silicone-based urethane sealed exterior with a triple-glued and blind stitched interior. Watertight, durable, and ultra flexible seam.
