- + Tear-resistant polyester fabric
- + Can be comfortably carried by two persons
- + Easy to clean
- + Internal compression straps for fixation and compression of contents

Contents: Bag comes with carrying handles, shoulder straps and compressions straps

Attention: In order to make the zipper move more smoothly apply the enclosed lubricant onto the whole zipper and in particular into the U-shaped end portion. Remove excessive lubricant with a soft cloth, and open and close the zipper several times.

Note: In order to meet standard IP67 (6=dustproof, 7=protected against penetration of water coming during temporary immersion; depth 1 m/39 in./lower edge of product; duration 30 minutes) the zipper must be completely closed.
