

## TECHNICAL INFO ARTICLE REF.: 445001

DESCRIPTION: Girls TEAM.BASIC Competition Knee-suit – Black

**Fina**  
AM  
  
SG220654

**Materials:** The competition suits reduce drag and offer flexibility and freedom of movement. Thanks to the latest generation of Fabric used to manufacture them, these suits will help you to reach your goals.

### Features and Benefits:

- Great comfort and softness, and freedom of movement.
- Simple and classic styling that will last.
- The fabric elasticity moulds to the body without be constricting, allowing the best freedom of movements.
- Ultra chlorine resistant.
- Sand, Sun creams, and oils resistance.
- Excellent UV protection.
- Ultra flat but with excellent coverage.
- Its elastic memory keeps it from curling at the edges.
- Suits maintain their shape and fade resistance even after several uses.
- 4 times more power compression capacity. Suits assure right muscles compression during physical activity, slashing lactic acid formation.
- The seams are perfectly designed to hold the muscles in their right position concentrating all the energy on the opposite direction of the stroke helping to have a more effective and less tired rhythm. Quicker turns around.
- Quick drying suits.

**Composition:** 79% Polyamide micro, 21% Elastane.

LYCRA is a trademark of INVISTA.
