

TECHNOLOGY GUIDE

tres-tex
WATERPROOF & BREATHABLE FABRIC

Waterproof, Windproof and Breathable Fabric - This performance fabric is used in many of our ranges. Ideal for active, highly mobile pursuits. Supple, durable and functional coatings and surface treatments help repel water and work with your layering system to draw moisture away from your body.

AIRTRAP
PERFORMANCE FLEECE

Designed for comfort and warmth - Soft, light, breathable, anti-pill fleece, these garments are a versatile mid-layer. The special structure of Airtrap® not only stretches to give you freedom of movement but creates airspaces that trap and hold your body heat.

DLX
DESIGNED FOR LIFE IN EXTREMES

DLX is a hand selected range specifically chosen to provide the best in performance and features. This is the best of the best, ideal for those who demand a little bit extra. DLX spans the entire collection, from accessories to high-end outerwear yet remains true to the ethos of value in a life outdoors. Delux performance clothing and equipment. Designed for Life in extremes.

3-IN-1

Three options in one garment. If it's an adaptable solution you're looking for, then this custom layering system is just what you need. The removable fleece gives you the ability to adjust your own personal microclimate, while the outer shell jacket counters rain and snow. Whether you're hiking the backcountry or walking the dog in the park, 3 in 1 adds up to the perfect balance.

COOLMAX

Coolmax® fabric offers soft, lightweight and breathable comfort. It wicks moisture away from your body keeping you cool, dry and comfortable.

TRES-SHIELD
WATERPROOF & WINDPROOF FABRIC

Waterproof and Windproof Fabric - This performance fabric is used to produce a range of great value outerwear. Ideal for bad weather situations. Supple and durable, functional coatings and surface treatments help repel water and wind keeping you comfortable.

DUOSKIN

Duoskin® Intelligent Fabric from Trespass - Effectively draws moisture away from the skin. This moisture quickly evaporates when brought to the surface of the fabric, leaving you dry and comfortable. Tightly woven fibres, high wicking and quick drying.

3LAYERFABRIC

Trespass excels in "bad weather" solutions. Tres-tex® 3 Layer Waterproof Fabric is breathable and Windproof with taped seams. The fabric is supple and durable and when used as the outer shell in a layering system, 3 Layer Tres-tex® will allow you to maintain a dry and comfortable personal environment when the weather is not at its best.

PACKAWAY

Be prepared without sacrificing weight and space in your pack. Packaway garments are lightweight, adjustable and less bulky yet retain their performance.

DWR

DWR is a durable water repellent finish which provides a protective wall from water droplets on the outer layer of the garment. DWR is not waterproof, but does reduce condensation forming, aiding breathability so less moisture reaches your skin.

OUR RATINGS EXPLAINED

TRESPASS TP RATINGS - Finding the right combination of waterproofing and breathability to meet your exact needs is crucial if you want to stay warm, dry and comfortable in any condition. We make finding the fabric that's right for you easy, with our tiered rating system.

The quick reference guide lets you zone in, indicating where this particular item sits in the Technical Performance range. Choose the 'TP rating' to satisfy your needs or activity. The higher rating means increased features/performance.

TP100	10000mm Waterproof 5000mvp Breathable and upwards Duoskin+ Moskitophobia
TP75	2000 - 5000mm Waterproof 3000 - 5000mvp Breathable Duoskin Coolmax Supplex UV Protection
TP50	Water Resistant - 5000mm Waterproof

TRESPASS AIRTRAP RATINGS - Finding the right level of warmth to meet your needs is crucial if you want to stay warm, dry and comfortable. We make finding the fleece that's right for you easy, with our new AT rating system. The higher the rating the heavier weight of fleece. We offer a comprehensive range including Micro, Polar, Bonded, Water Resistant and printed garments with optimum comfort and protection in mind. Our Fleece range delivers durability whether it be for today's customer requiring high-output outdoor performance or those enjoying every day activities.

AT100	100 - 199gsm Airtrap Fleece
