There's no limit to where you can go with the Skyport laptop backpack. Featuring protective compartments for your tech and an essentials organizer with an RFID-blocking pocket, it's a bag built for the future. Specially designed back padding with molded air channels keeps you cool on the go, and the stabilizing base means the bag stays upright when you stop. Thanks to the shock-absorbing shoulder straps, it's comfortable to carry, too, leaving you free to follow wherever the path takes you.
