GROW UP IN STYLE

CYBEX is dedicated to creating modern, stylish and long-lasting products that make life easier for parents and children. With an unwavering dedication to contemporary, elegant design, we strive to meet the highest standards for modern living. This is how the LEMO Chair came into being. It fits perfectly into the urban homes of design-minded parents while being optimally geared to the needs of babies and children. Inspired by the timeless design of the iconic Plastic Chair by Charles and Ray Eames, the LEMO Chair is designed to easily and quickly adapt to the changing sizes and needs of your growing child. It practically grows up with your child into adulthood.

EXPRESS YOUR STYLE

MODERN DESIGN –
INTELLIGENT FUNCTION MEETS INNOVATIVE FORM

With the LEMO Chair, CYBEX brings modern and timeless design concepts into the here and now – developed to meet the challenges and needs of the present. In contrast to standard children's furniture, the LEMO line impresses with its clear design language of minimalist aesthetics and functional refinement – modern, timeless, intuitive and surprisingly simple. The LEMO Chair stands for a new generation of elegant, sophisticated designer pieces that fit perfectly into the home of modern parents, upholding a confident, active and style-conscious approach to life.

THE LEMO CONCEPT

COMPLETE SEATING SOLUTION
FROM 0 - 99 YEARS

LEMO Bouncer with harness: from birth to approx. 6 months
(9 kg). Without harness: from approx. 6 months (9kg)
to approx. 3 years (15kg)

With Baby Set:

QUICK ASSEMBLY

4 SCREWS ONLY

ONE-HAND ADJUSTMENT

LEMO Chair is designed to adapt effortlessly to the needs of your growing child. The practical one-handed adjustment mechanism lets you adjust the height and depth of the seat and footrest in just a few seconds. It only takes a single adjustment for the chair to grow with your child, offering both young and old an elegant and comfortable seat as needed.

YEAH, BABY!

The LEMO Baby Set provides comfort and safety for children from approx. 6 months to 3 years, also thanks to its 5-point harness system.

BOUNCER

FUNCTIONS

WITH HARNESS: FROM BIRTH TO APPROX. 6 MONTHS (9 KG)
WITHOUT HARNESS: FROM APPROX. 6 MONTHS (9 KG)
TO APPROX. 3 YEARS (15 KG)

BOUNCING ZONE

The comfortable bouncer is designed to bounce naturally in response to your baby's own movement – so the child can fall asleep gently and have even more fun while awake.

KEEP COOL

On hot summer days, the cover of the bouncer can be removed. The underlying 3D mesh keeps your child cool and supports an ergonomic sitting position.

LEAN BACK AND RELAX

The adjustable backrest offers both an upright and a reclining position, ensuring your baby is comfortable, both asleep and awake.

TABLE-HEIGHT POSITION

The Bouncer can be attached to the LEMO Chair from birth to approx. 6 months – so your baby can have a seat at the table from day one.
